I, Joshua Page Armbruster, am employed as a private pilot for Mr. William T. Walters. I understand and acknowledge that Mr. Walters has been released on bond subject to certain conditions, including a condition restricting his travel to the continental United States of America. I further understand and acknowledge that it would be a violation of the conditions of Mr. Walters' release for him to travel, by means of private plane or otherwise, outside the continental United States without prior authorization of the Court. I agree that I will not fly Mr. Walters to any destination outside the continental United States while the conditions of his release limiting his travel to the continental United States remain in effect.

I declare under penalty of perjury that the foregoing is true and correct.
